How many roads must a man walk down
Before you call him a man ?
How many seas must a white dove sail
Before she sleeps in the sand ?
Yes, how many times must the cannon balls fly
Before they're forever banned ?
The answer my friend is blowin' in the wind
The answer is blowin' in the wind.

Yes, how many years can a mountain exist
Before it's washed to the sea ?
Yes, how many years can some people exist
Before they're allowed to be free ?
Yes, how many times can a man turn his head
Pretending he just doesn't see ?
The answer my friend is blowin' in the wind
The answer is blowin' in the wind.

Yes, how many times must a man look up
Before he can see the sky ?
Yes, how many ears must one man have
Before he can hear people cry ?
Yes, how many deaths will it take till he knows
That too many people have died ?
The answer my friend is blowin' in the wind
The answer is blowin' in the wind.

Come you masters of war
You that build the big guns
You that build the death planes
You that build all the bombs
You that hide behind walls
You that hide behind desks
I just want you to know
I can see through your masks.

You that never done nothin'
But build to destroy
You play with my world
Like it's your little toy
You put a gun in my hand
And you hide from my eyes
And you turn and run farther
When the fast bullets fly.

Like Judas of old
You lie and deceive
A world war can be won
You want me to believe
But I see through your eyes
And I see through your brain
Like I see through the water
That runs down my drain.

You fasten all the triggers
For the others to fire
Then you set back and watch
When the death count gets higher
You hide in your mansion'
As young people's blood
Flows out of their bodies
And is buried in the mud.

You've thrown the worst fear
That can ever be hurled
Fear to bring children
Into the world
For threatening my baby
Unborn and unnamed
You ain't worth the blood
That runs in your veins.

How much do I know
To talk out of turn
You might say that I'm young
You might say I'm unlearned
But there's one thing I know
Though I'm younger than you
That even Jesus would never
Forgive what you do.

Let me ask you one question
Is your money that good
Will it buy you forgiveness
Do you think that it could
I think you will find
When your death takes its toll
All the money you made
Will never buy back your soul.

And I hope that you die
And your death'll come soon
I will follow your casket
In the pale afternoon
And I'll watch while you're lowered
Down to your deathbed
And I'll stand over your grave
'Til I'm sure that you're dead.

If I had a hammer
I'd hammer in the morning
I'd hammer in the evening
All over this land
I'd hammer out danger
I'd hammer out a warning
I'd hammer out love between my brothers and my sisters
All over this land

If I had a bell
I'd ring it in the morning
I'd ring it in the evening
All over this land
I'd ring out danger
I'd ring out a warning
I'd ring out love between my brothers and my sisters
All over this land

If I had a song
I'd sing it in the morning
I'd sing it in the evening
All over this land
I'd sing out danger
I'd sing out a warning
I'd sing out love between my brothers and my sisters
All over this land

Well I've got a hammer
And I've got a bell
And I've got a song to sing
All over this land
It's the hammer of justice
It's the bell of freedom
It's the song about love between my brothers and my sisters
All over this land

Where have all the flowers gone?
Long time passing
Where have all the flowers gone?
Long time ago
Where have all the flowers gone?
Girls have picked them every one
When will they ever learn?
When will they ever learn?

Where have all the young girls gone?
Long time passing
Where have all the young girls gone?
Long time ago
Where have all the young girls gone?
Taken husbands every one
When will they ever learn?
When will they ever learn?

Where have all the young men gone?
Long time passing
Where have all the young men gone?
Long time ago
Where have all the young men gone?
Gone for soldiers every one
When will they ever learn?
When will they ever learn?

Where have all the soldiers gone?
Long time passing
Where have all the soldiers gone?
Long time ago
Where have all the soldiers gone?
Gone to graveyards every one
When will they ever learn?
When will they ever learn?

Where have all the graveyards gone?
Long time passing
Where have all the graveyards gone?
Long time ago
Where have all the graveyards gone?
Covered with flowers every one

When will we ever learn?
When will we ever learn?

The eastern world, it is exploding
Violence flarin', bullets loadin'
You're old enough to kill, but not for votin'
You don't believe in war, but what's that gun you're totin'
And even the Jordan River has bodies floatin'

But you tell me
Over and over and over again, my friend
Ah, you don't believe
We're on the eve
of destruction.

Don't you understand what I'm tryin' to say
Can't you feel the fears I'm feelin' today?
If the button is pushed, there's no runnin' away
There'll be no one to save, with the world in a grave
[Take a look around ya boy, it's bound to scare ya boy]

And you tell me
Over and over and over again, my friend
Ah, you don't believe
We're on the eve
of destruction.

Yeah, my blood's so mad feels like coagulatin'
I'm sitting here just contemplatin'
I can't twist the truth, it knows no regulation.

Handful of senators don't pass legislation
And marches alone can't bring integration
When human respect is disintegratin'
This whole crazy world is just too frustratin'

And you tell me
Over and over and over again, my friend
Ah, you don't believe
We're on the eve
of destruction.

Think of all the hate there is in Red China
Then take a look around to Selma, Alabama
You may leave here for 4 days in space
But when you return, it's the same old place
The poundin' of the drums, the pride and disgrace
You can bury your dead, but don't leave a trace
Hate your next-door neighbor, but don't forget to say grace
And, tell me over and over and over and over again, my friend
You don't believe
We're on the eve
Of destruction
Mm, no no, you don't believe
We're on the eve
of destruction.

In this dirty old part of the city Where the sun refused to
shine People tell me there ain't no use in tryin'

Now my girl you're so young and pretty And one thing I know is
true You'll be dead before your time is due, I know

Watch my daddy in bed a-dyin' Watched his hair been turnin'
grey He's been workin' and slavin' his life away Oh yes I know
it

He's been workin' so hard, yeah I've been workin' too, baby,
yeah Every night and day, yeah

We gotta get out of this place If it's the last thing we ever do We
gotta get out of this place Cause girl, there's a better life for me
and you

Now my girl you're so young and pretty And one thing I know is
true, yeah You'll be dead before your time is due, I know it

Watch my daddy in bed a-dyin' Watched his hair been turnin'
grey, yeah He's been workin' and slavin' his life away I know
he's been workin' so hard

I've been workin' too, baby, yeah Every day baby, yeah Wow,
yeah...

We gotta get out of this place If it's the last thing we ever do We
gotta get out of this place Girl, there's a better life for me and
you Somewhere baby, somehow I know it

We gotta get out of this place If it's the last thing we ever do We
gotta get out of this place Girl, there's a better life for me and you

Believe me baby, I know it baby You know it too

He blesses the boys, as they stand in line
The smell of gun grease and their bayonets they shine
He's there to help them all that he can
To make them feel wanted he's a good holy man
Sky Pilot Sky Pilot How high can you fly? You'll never, never, never, reach the sky

He smiles at the young soldiers, tells them it's all right He knows of their fear in the forthcoming fight Soon there'll be blood and many will die Mothers and fathers back home they will cry

You're soldiers of God you must understand The fate of your country is in your young hands May God give you strength Do your job well If it all was worth it Only time it will tell

Sky Pilot Sky Pilot How high can you fly? You'll never, never, never, reach the sky

He mumbles a prayer and it ends with a smile The order is given, they move down the line But he'll stay behind, and he'll meditate But it won't stop the bleeding, or ease the hate

As the young men move out into the battle zone He feels good, with God you're never alone He feels so tired as he lays on his bed Hopes the men will find courage in the words that he said

Sky Pilot Sky Pilot How high can you fly? You'll never, never, never, reach the sky

In the morning they return with tears in their eyes The stench of death lifts up to the skies A young soldier so ill, looks at the Sky Pilot Remembers the words 'Thou shalt not kill'.

Sky Pilot Sky Pilot How high can you fly? You'll never, never, never, reach the sky

fighting soldiers from the sky Fearless men who jump and die Men who mean
just what they say The brave men of the Green Beret

Silver wings upon their chest These are men, America's best One hundred
men will test today But only three win the Green Beret

Trained to live off nature's land Trained in combat, hand-to-hand Men who
fight by night and day Courage peak from the Green Berets

Silver wings upon their chest These are men, America's best One hundred
men will test today But only three win the Green Beret

Back at home a young wife waits Her Green Beret has met his fate He has
died for those oppressed Leaving her his last request

Put silver wings on my son's chest Make him one of America's best He'll be a
man they'll test one day Have him win the Green Beret.

There's something happening here
What it is ain't exactly clear
There's a man with a gun over there
Telling me I got to beware
I think it's time we stop, children, what's that sound
Everybody look what's going down
There's battle lines being drawn
Nobody's right if everybody's wrong
Young people speaking their minds
Getting so much resistance from behind
I think it's time we stop, hey, what's that sound
Everybody look what's going down
What a field-day for the heat
A thousand people in the street
Singing songs and carrying signs
Mostly say, hooray for our side
It's time we stop, hey, what's that sound
Everybody look what's going down
Paranoia strikes deep
Into your life it will creep
It starts when you're always afraid
You step out of line, the man come and take you away
We better stop, hey, what's that sound
Everybody look what's going down
Stop, hey, what's that sound
Everybody look what's going down
Stop, now, what's that sound
Everybody look what's going down

Stop, children, what's that sound
Everybody look what's going down

Wait until the war is over
And we're both a little older
The unknown soldier

Breakfast where the news is read
Television children fed
Unborn living, living, dead
Bullet strikes the helmet's head

And it's all over
For the unknown soldier
It's all over
For the unknown soldier

Hut
Hut
Hut ho hee up
Hut
Hut
Hut ho hee up
Hut
Hut
Hut ho hee up
Comp'nee
Halt
Preeee-zent!

Arms!

Make a grave for the unknown
soldier
Nestled in your hollow shoulder
The unknown soldier

Breakfast where the news is read
Television children fed
Bullet strikes the helmet's head

And, it's all over
The war is over
It's all over
The war is over
Well, all over, baby
All over, baby
Oh, over, yeah
All over, baby
Wooooo, hah-hah
All over
All over, baby
Oh, woa-yeah
All over
All over
Heeeeyyyy

This is a man's world
This is a man's world
But it wouldn't be nothing
Without a woman or a girl
Say it one more time

This is a man's world
This is a man's world
But it would be nothing
Without a woman or a girl

You see, man made the cars to
take us over the roads
Man made the trains to carry the
heavy loads
Man made electric light to take us
out of the dark
Man made the boat for the water,
like Noah made the ark

This is a man's world
But it wouldn't be nothing
Nothing without a woman or a girl

Man thinks about a little bit of
baby girls and baby boys
Man makes them happy 'cause
man makes them toys

And after man make everything
he can
Man makes money to buy from
other man

This is a man's world
But it wouldn't be nothing
Nothing without a woman or a girl

Oh, now man needs a woman
Man got to have a woman
He needs a woman or a girl
He needs a woman

Man makes everything he can
But a woman makes a better man
Man needs a woman

Man thinks about anything but
But money can't buy him love
Face the fact, you gotta face the
fact
Man needs a woman
He needs a woman or a girl, oh
oh

Man needs a woman
He needs a woman

Evrywhere I hear the sound of marching, charging feet, boy
Cause summers here and the time is right for fighting in the street, boy
But what can a poor boy do
Except to sing for a rock n roll band
Cause in sleepy london town
There's just no place for a street fighting man
No

Hey! think the time is right for a palace revolution
But where I live the game to play is compromise solution
Well, then what can a poor boy do
Except to sing for a rock n roll band
Cause in sleepy london town
There's no place for a street fighting man
No

Hey! said my name is called disturbance
Ill shout and scream, I'll kill the king, I'll rail at all his servants
Well, what can a poor boy do
Except to sing for a rock n roll band
Cause in sleepy london town
There's no place for a street fighting man
No

You say you want a revolution
Well, you know
We all want to change the world
You tell me that it's evolution
Well, you know
We all want to change the world
But when you talk about destruction
Don't you know that you can count me out
Don't you know it's gonna be all right
All right, all right

You say you got a real solution
Well, you know
We'd all love to see the plan
You ask me for a contribution
Well, you know
We're doing what we can
But when you want money
For people with minds that hate
All I can tell is brother you have to wait
Don't you know it's gonna be all right
All right, all right
Ah

Ah, ah, ah, ah, ah...

You say you'll change the constitution
Well, you know
We all want to change your head
You tell me it's the institution
Well, you know
You better free you mind instead
But if you go carrying pictures of chairman Mao
You ain't going to make it with anyone anyhow

Don't you know it's gonna be all right
All right, all right
All right, all right, all right
All right, all right, all right
